

Funding the Eyegaze Edge®

When it comes to paying for your speech generating device, you'll have some important questions along the way. This sheet provides a basic explanation of the funding process for your Eyegaze Edge®

The Eyegaze Inc. Team

Our Funding Coordinators will help you through the process by collecting all needed documentation from you and your medical team. These documents can be completed by hand, or sent and signed digitally.

Eyegaze Inc. works with funding sources such as Medicare & Medicaid, private insurance companies, VA Medical Centers, state vocational rehabilitation programs and private payers. Once we've collected the funding documents below, we can call to find your specific eligibility and benefits so you can understand how your Eyegaze Edge® will be covered. Our funding coordinators are happy to answer your questions and guide you through the process!

Funding Packet documentation to be collected includes:

- Authorization for the Release of Information
- Financial Responsibility Form
- User Information Insurance Form
- HIPAA Release of Information Form
- Speech-language Pathologist Evaluation Report
- Physician's DME Prescription Form

Questions regarding funding can be asked by sending an email to funding@eyegaze.com, by calling our funding department at **1-800-EYEGAZE**, or by fax at 703-385-7137.

Eyegaze Inc. is committed to compliance of regulations and conditions set forth in the Health Insurance Portability and Availability Act of 1996 (HIPAA).
