SOLUTIONS
TO YOUR AAC NEEDS

**This catalog documents all available products sold by Eyegaze.
It includes both insurance-covered and premium options.**

This product catalog contains a list of the many devices and options offered by Eyegaze. Please see product brochures for information about the powerful capabilities of each of these models.

The Eyegaze funding department will submit one communication tablet, one eye tracking camera, and one mounting package for reimbursement. Items with part numbers beginning with "OPT" are available for direct purchase and will not be submitted to insurance by Eyegaze.

Table of Contents
